

## Adding VitalSource Bookshelf to Canvas Course Coursebook Pairing

1. When signed into your course, click “Settings”.
2. Click on the “Navigation” tab
3. “Drag the VitalSource Bookshelf” item to where you would like it located in the course navigation menu
4. Click “Save”

The screenshot shows the Canvas course settings page for "Jasmine Harris Test Course". The left sidebar contains various navigation options, with "Settings" highlighted by a red arrow labeled "1". The main content area has tabs for "Course Details", "Sections", "Navigation", "Apps", and "Feature Options". The "Navigation" tab is selected, indicated by a red arrow labeled "2". Below the tabs, there are two sections for managing the course navigation menu. The first section, "Drag and drop items to reorder them in the course navigation.", contains a list of items: Home, Syllabus, Announcements, Modules, Assignments, Discussions, Quizzes, Media Gallery, My Media, Grades, People, Multi-Tool, and Conferences. The second section, "Drag items here to hide them from students.", contains a list of items: Bookshelf, Attendance, Office 365, Office 365, Pages, and Analytics Beta. A red arrow labeled "3" points to the "Bookshelf" item in this list. At the bottom right, a red arrow labeled "4 (Save!)" points to the "Save" button.
